

LENTEN ALMSGIVING

Dear Parents/Guardians,

It was previously mentioned in last week's newsletter that the school has established a link with the Passage, a catholic charity organisation that supports over 200 homeless men and women who live on the streets in central London. As part of our Lenten mission of almsgiving, we ask that each family makes a different kind of donation to help some of the most vulnerable people in our community.

The charity has asked if we could provide them with the following:

- New socks
- New men's underwear sizes Med, Large and X Large
- New ladies underwear sizes Small (10/12), Medium (14/16), Large (18/20)
- Bic Razors (we have tried buying the cheaper ones but the clients complained that they are not very good, Bic do are range numbered 1,2 and 3. Number 1 is fine.)
- Shaving foam.

The gifts should be handed in to school either in a carrier bag or a shoe box by FRIDAY 22nd MARCH. Please make every effort to support this worthwhile cause during this most challenging of times.

Yours sincerely

Charles Soyka

Deputy Headteacher
