

Through The Week

All classes observed the two minute silence on Monday morning in remembrance of the signing of armistice at the end of the First World War. The children were very reverent during this important moment and displayed great maturity and understanding. Preparations for Christmas performances are underway and the children have been learning the songs and carols in preparation. The cold weather continued this week and many children were dressed in hats, scarves and gloves. **Please ensure that they are clearly labelled with your child's name on them. This helps to avoid any confusion.**
Thank you

PEARL Assembly

Miss Curran spoke to the children in Key Stage 1 on Wednesday afternoon about the PEARL value of RESPECT. Through the use of a simple poem the children were able to deepen their knowledge of the PEARL value. We should always treat each other with the same amount of dignity and respect whether we have just met somebody new in our lives or have had the friend a very long time. A very important message.

30 Assembly

The children of 30 gave a solid performance on Thursday morning to the school during their assembly, the theme of which was on sainthood. They shared with the school community about the life of St Anne Line a saint closely associated with our school and the role that saints play in our everyday lives. Saints dedicated their lives to following Christ through the example of their lives. We can all be like them if we follow the message of Thursday's assembly. Thank you children.
