Through The Week

After a very busy week for the children, staff and parents there is still a lot to complete before the end of term! Year 5 made the short trip to South Tottenham Synagogue on Monday morning. They furthered their learning of the Jewish religion and discovered many new facts about this most important world religion. Family Learning Conferences have finished for this term. Please continue to support your child in their learning.

The development of the children's physical well being goes from strength to strength. No 1 Football Coaching started this week for the boys and girls of Years 1 and 2. The children enjoyed learning new skills with Andy their new coach.

Matt Cuss the youth development officer from the London Skolars, our local Rugby League club took a special assembly for the children in Year 3 and 4. We look forward to working with them in the months to come.

Please encourage your child to learn their lines for our Christmas performances - it is important for the children to be able to deliver the lines for their carols or drama without the aid of their lines. Thank you.

Website

This week saw the greatest number of visitors to the school's website. We are constantly updating pages and the latest news sections. Please spend some time when you are on line to take a look at the site. We are trying to add a couple of news items every week and are beginning to update the curriculum pages weekly. If you have any suggestions how we can improve the site please speak to Mr Soyka. It would be a fantastic effort if more than 150 people visited the site over the coming week. Thank you.

Football

The boys' football team had two run outs this week. There was mixed fortunes on Monday evening. The cold weather seemed to affect their performance but were eventually beaten 2 - 0 Noel Park. Thursday evening seemed to offer better fortune. They played the Willow Primary school earning a deserved draw and ground out another draw against Holy Trinity. Their next set of fixtures take place on December 12th.

Birthdays

Happy Birthday to the children and staff who celebrated their special day this week. We hope that you had a lovely day.

Thought Before Christmas

“Don't be thinking Christmas yet -
we haven't reached December.”
Well, that's what people tell me.
But why? Don't they remember
two thousand years have passed
since Jesus came down to this earth?
So I shall give my whole life long
to celebrate his birth.

HAVE A LOVELY WEEKEND!!!
