Through The Week

It has been a very busy week! We waved goodbye to the children from Year 5 on Monday morning as they set off on their annual school journey to Pendarren House. They have had a fantastic week and return home exhausted, but full of wonderful memories this evening. Year 4 made the journey to St John's Wood on Tuesday to watch Middlesex Cricket Club take on Yorkshire Cricket Club. They had a fantastic time at the hallowed ground and even got to play on the nursery pitches! School reopens on Tuesday morning at 8:55am.

PEARL Assembly

Miss Duffy spoke to the children from Key Stage 1 on Wednesday afternoon about the PEARL value of Achievement. We were reminded last Sunday of the important role the church has to play in our lives when the Pope Francis canonised Pope John XIII and Pope John Paul II. The Catholic Church is among the oldest institutions in the world, something we should be proud of. Miss Duffy explained to the children that we are all on our Easter journey heading towards the great feast of Pentecost and the birth of the church. The children were asked to think about their Easter journey and how they are to welcome the coming of the Holy Spirit in a few weeks time.

Walk to School Week

The week beginning 19th May is Walk to School week. Our new School Travel Ambassadors will speak to the children about the importance of walking to school. It is a good way of teaching children about the importance of Road Safety and taking regular exercise. So, if you come to school by car why not try parking a few streets away from school and walking the last five minutes of the journey? Everyone who takes part and fills out the card to show that they have walked to school will receive a WOW badge.

The Big Question

Where do words go after you hear them? Please spend some time discussing the possible answers to this question with your child. The children often discuss the possibilities to the Big question with staff through the week. It is a lovely way to talk with them and to see how they arrive at their answer and to explore them a little further.

School Website

Mr Soyka spoke with the developer of the new site this week. He hopes to have it up and running over the next two to three weeks. In between times please continue to make regular visits to the school's current website; it is updated regularly with many new items about the school. Please make it one of your favourites!

Sainsbury's Vouchers

The current scheme runs for another few weeks. Please continue to send in your contributions.

Maths Challenge Winners

Every week Miss Fellows the school's Maths Coordinator sets the children a weekly challenge. The challenge is posted on the website and the children are encouraged to "have a go" at solving the puzzle. This week the winners were:

From 2W: Destiny and Ian

From 4C: Diego

Congratulations children!

Weekly Prayer

Thomas' Easter

We celebrate Easter with the disciples who
saw the risen Jesus,
and who knew that love was stronger than
death.

We also remember Thomas, for whom
Easter was a long time coming,
and all those who feel alone in their doubt
and despair this Easter.

Risen Jesus, make yourself known to
us all in due time
so that we may know for sure the joy of heaven

HAVE A LOVELY WEEKEND!
